## **Sickness & Distress:**

**John Bridegroom's Daughter Phoenix**, Arch 1 Officer Grand Council

**What a way to start the New Year: Phoenix is in remission!**

**Update 1/1:** Phoenix had her 4 week check up in South Bend today, and I am pleased as punch to report that she continues to thrive. Her labs remain fantastic, and her body is handling her oral chemo well. Today was the first time she walked from the car to the clinic, without a stroller or wheelchair, and she never gave it a second thought. Of course her doc and nurses were amazed, thrilled, and so happy to see her strength. Our nurse practitioner told me that every time her team gets to see Phoenix, they are energized and overjoyed by her infectious smile and personality... and they are reminded that miracles really do happen. What an amazing report to close out 2012. Happy New Year to you all! 2013 is going to be fantastic.

**Bobby J. Roberts REGC** had a minor back surgery (if there is such a thing as minor surgery) in Muncie Hospital. Everything went well and he is now home resting. Let's all keep Bobby and Fay in our prayers. They sure have had their hands full lately.

**Update 11/19:** Bobby Roberts is back in Indiana University Health Ball Memorial Hospital in Muncie awaiting back surgery on Wednesday morning. A MRI diagnosed a compression fracture at L4 in his lower back. He has no idea how it happened. He is currently in room 6124 but that will most likely change after surgery. Please keep Bobby and Fay in your prayers during this difficult time. Fraternaly, Larry V

**Update 11/23:** Good Morning, I just talked with Bobby. He is home and still in a fair amount of pain from the surgery. In addition to fixing the problem they knew about they found another one and were able to take care of it too. He is under "House arrest" for at least the next two weeks. He wished everyone a belated Happy Thanksgiving and sends his regrets for not being able to attend the Christmas Party this Sunday. Please keep Bobby and Fay in your thoughts and prayers. IHSV, Don Olvey

**Update 11/26:** Bobby Roberts, GC was readmitted to the hospital Sunday after an MRI revealed another cracked vertebra. He was scheduled for surgery this morning. I have not heard any as of yet. Will keep you informed.

**Update 11/27:** Bobby was released from the hospital today and is home trying to rest. He had vertebrae L2 and L5 fused this time. Please keep Bobby and Fay in your prayers. Fraternaly, Larry V

**Update 12/25:** Bobby was taken back into the hospital with a severe Asthma attack. He was released on 12/28/2012 and is now home resting.

**Robert J. Frazer:** Bobby Joe will be having surgery on Monday, Dec. 3, 2012 at 12:00 PM to have a stint put in blood vessel going to his Kidney. Please keep Bobby Joe in your prayers.

**Update 12/3:** The surgery went well. They put 2 stints in 1 in blood vessel going into kidney and 1 in main aorta (belly button). I still have a blocked artery in my leg. Doctor says walking will take care of it. Thank you for all your prayers!!!!!! I got home about 5:00 PM. Bob

**Brother Dick Midkiff** had a total knee replacement on Wednesday, November 28<sup>th</sup>. He is a resident at the IMH, member of Devol, the IMH York Rite bodies, and more. There were some complications and he will be released sometime today to the Transitional Care Unit (TCU) on the second floor of the Medical Center at the Indiana Masonic Home. Dick will possibly be there for several weeks for therapy and strengthening as right now he is total non-weight bearing on the new knee. We appreciate the prayers that were sent up for the surgery and would request you pray for a full recovery. I will update

you periodically. Cards may be sent to 978 Solomon Drive, Franklin 46131, and I will be more than happy to deliver them to him. Sue Midkiff

**Carroll Joe Friend:** 12/19 -I just received word that Joe Friend was taken to the Hospital either a heart attack or another stroke. Do not know which at this time. I understand he has been life lined to Indianapolis. Please put out the message to the brothers to pray for Joe. Ronald W. Woods

**Update 12/21:** Larry, Joe Friend was admitted to Greensburg hospital Wed. night. He could not get any oxygen. When he was admitted his oxygen level was at 87 and when they put oxygen on him it went back to 97. He has his cell phone if you want to talk to him its 812-614-1300. Wilma Friend  
Joe is home. It wasn't a heart attack. He is resting.

**Update 12/21:** I visited Joe Friend in the Greensburg Hospital Thursday morning. He was lucky in that his own doctor was in the emergency room and understood his case well. It was determined that the main problem was his breathing and he had very low blood oxygen level. He improved greatly once oxygen was given to him. I will keep you informed if any changes. Ronald W. Woods, D.C.

**Update 12/22:** Joe finally came today. Dr. said he had pneumonia. Now he is on oxygen 24-7. Tell everyone he is fine. Wilma.

**Clint Cottrell, PC, DBC:** had a stroke last night (12/20). He was life lined to Methodist Hospital last night. I spoke to his wife a few moments ago, he is doing the best as can be expected but still early in the recovery and they do not know what the damage might be. Mark Kester, Sr.

**Update 12/27:** I got a call from Clint's wife today, he is to be released from Indianapolis Hospital today but she does not know if he will go home or to Hospital here. He will have three weeks of physical therapy to do. She asks that we wait three week before seeing him. Paul Burns

### **Indiana Deaths:**

**Don Dimond:** Masonic Services will be held for Brother Don Dimond on Thursday, December 27th at 7 P.M. at Bailey/Love in Huntington. He was the father of Roger Dimond, Recorder of Huntington Commandery. SK Steve Maxwell

**Illustrious Brother George Brown:** I regret to inform you of the passing of Ill Brother George Brown. George died on Monday, December 24, 2012. Visitation will be from 1 – 5 PM (EST), with a Masonic Service at 5:00 PM (EST) on Sunday, December 30, 2012 at Welsheimers Funeral Home, 17033 Cleveland Rd, South Bend. The funeral service will be Monday, December 31, 2012 at 11:00 AM (EST). Robert F. Keuper, 33°, Executive Director, South Bend Scottish Rite

**Good News and Bad News:** Good news and bad news to start off 2013. The bad news is that the Indianapolis Scottish Rite Cathedral was burglarized around 4:00 A.M. this morning. Entry was gained through the security office window. The good news is that IMPD responded quickly to the alarm run and apprehended two suspects inside the building, a male and a female. The female refused to cooperate

with police and was bitten by a police search dog. A quick inspection failed to turn up any further damage to the building and contents. Thanks to the several IMPD Downtown District officers for a job well done. Jim Dillman.

### **Happenings**

Well, it looks like mother-nature is going to force us to redo the Nativity scene at the Masonic Home. We have been talking about upgrading the Nativity set for a while now. It looks like we have some motivation. Most parts are damaged. Donnie will get a better look after some of the ice melts. But it's not looking too promising. Don Olvey
