Sickness & Distress:

Phoenix Bridegroom: July 27, 2015: This week Phoenix saw her stem cell team at Riley Hospital and they said she is still doing great! All her blood counts continue to show healthy, cancer-free, donor blood. Hallelujah! Her skin has healed completely from her rash. She will restart her anti-cancer med, Tasigna, at a lower dose, as soon as it arrives in the mail. Next week she will have an EEG in hopes of discontinuing her anti-seizure med. Each week brings progress! Thank you for keeping Phoenix in your prayers!

Update July 7, 2015: Hello friends, Phoenix had a clinic visit at Riley Hospital today, and as you can see from her photos below, an extravagant rash was the topic of the day. This rash (that is on the top of her head, inside her ears, inside her mouth, and all over her body) is a common side effect of the drug Tasigna. Due to the nature of this drug we cannot just switch her to something else, and we know she needs to be taking it daily for years. The key will be to find the proper dosage for her body...and this is clearly much too much. All of Phoenix's blood work and chemistries were perfection (actually "normal") today and so the plan is to hold the Tasigna for 2 weeks, allow her skin to heal, and restart the drug at 25% of the current dosing.

Even though she is uncomfortable and itchy, Phoenix is still doing fantastic and having a great summer! Thank you for caring and praying for my sweet girl.

James Acton: Brothers all, The Friday afternoon before our *Ladies Party*, Jim developed a health problem which landed him in St. Vincent's Hospital for a short time. He regretted not being with us on July 11th. After our conversation yesterday, I am pleased to report that Jim is doing much better now. His medications and diet restrictions are working well, and he is presently working hard each day to regain his strength and stamina. During our chat, we both agreed that nothing is more precious than *answered prayers*. For a time, his future was uncertain, but today Jim has a *cheery* and *positive* outlook. He hopes to be with us at our 33rd. Association Luncheon, which is scheduled for Wednesday September 9th. at noon. Should you like to drop Jim a note, his e-address is: jhacton@mw.net. John W. Duncan, Secretary/Treasurer

Evelyn Adams: Mother of Christine Fodrea is suffering from cancer and is in Hospice. Please keep them in your prayers.

Chris Hodapp: 8/26: Alice and I are at the Cleveland Clinic looking for some answers as to why I have constant back pain and why I pace the floor 12 hours a day. We'll see what they say.

Update 8/27: No one's been able to tell me what's wrong with my back, but the neurologist this morning mentioned early onset dementia as a possibility for my memory problems, and not the narcotics. That cheered me up, as you can probably imagine...

The conference will be held in a downtown Indianapolis hotel to be determined within a few weeks. RSKO – 2015 Annual Convivial – Louisville, KY

SRICF – 2015 Annual High Council Meeting – Louisville, KY

To Members of the SRICF, since the recent release of the Program for Masonic Week, we have received a number of inquiries about the plans of the Societas Rosicruciana in Civitatibus Foederatis. After several years of discussions, among the Officers and Chief Adepts, it has been decided that our Annual Meeting would be more centrally located and at a time less susceptible to inclement weather. The High Council will meet on November 7, 2015 at the Brown Hotel in Louisville, KY. The RSKO (Royal Society of Knights Occidental) will have their annual Convivial, the night before on November 6, 2015 at the same location. Room rates will be \$129.00 with special parking rates, and free shuttle service to and from the airport. Check out the Brown Hotel at www.brownhotel.com. Those of you who miss the elegance of the Hotel Washington are going to love this Hotel. Reservations may be made by calling 888-888-5252.
